There are plenty of exercises and

my first theory book

games to encourage a wider understanding of music, even at the very early stages of learning. My First Theory Book - Faber Music - Examination Material ... - yes. i'm currently using 'my first theory book' for a 7 yr old student. it is quite similar to the one for 'little children' just that it doesn't include stickers and contains less copying drills (those that you have to copy notes over and over), but it still has 'games' such as colouring balloons and matching games.
